PROFILE

I am a passionate and self-driven software developer with a strong desire to excel in the industry., I am adept at problem-solving and enjoy tackling complex challenges with creativity and critical thinking. In addition to my technical skills, I possess excellent communication abilities, enabling me to collaborate effectively with team members.

EXPERIENCE

2023 **Prodigy Info Tech**
Web Development

As an Online Web Development Intern at Prodigi Infotech, I gained practical experience and deepened my understanding of web development. This has shaped my professional growth and equipped me with a solid foundation in this field.

2023 **HUNAR**
Web Development

During my internship as an Online Web Development Intern at Hunar, I gained valuable skills and knowledge in web development. This experience has been pivotal in shaping my professional capabilities in this field.

2023 **NGI TBI Workshop**
IoT, 3D Printing & PCB

During my internship at NGI TBI, I gained substantial knowledge in IoT, 3D Printing, and PCB Design. This experience has enriched my technical skills and provided me with a strong foundation in these areas.
